## Sveti Vlas

Bulgaria is situated on the Black Sea coast sharing it's southern borders with Greece and Turkey.

Sveti Vlas (Свети Влас) is a coastal town at the foot of the southern slopes of the Balkan Mountains in an area renowned for the purity of the air. With it's long, sunny days and sandy South facing beaches it is the perfect location for a relaxing holiday.

Sveti Vlas overlooks the bay towards the world heritage site of Ancient Nessebar and is home to the new private Marina with it's fine restaurants and stylish bars and shops.

Three miles South of Sveti Vlas is the busy resort town of Sunny Beach. A further two miles takes you to Nessebar with it's romantic narrow cobblestone lanes, two-storey period houses and lovely flower gardens.

A three hour flight from the UK will bring you to one of the two international Airports within easy access of our apartment, with Bourgas half an hour drive to the South or Varna an hour and a half to the North. Airport transfers can be arranged if required.

## Diamond Complex

The Diamond Complex (AKA Diamante) is the centre piece in the Dinevi resort; built on the front line overlooking the new Marina and across the Bay to Nessebar. A few steps down from the Complex is the Marina and the private sandy beach with even more sandy beaches stretching out around the bay to the West.

The complex has two pools, one with a children's area, each with it's own bar.

The other complexes in the Dinevi Resort have their own restaurants, bars, pools and other facilities which are all available to guests staying in the resort.

A ten minute walk from the apartment will find you at the bottom of Vlas Town Centre, from here on up to the Town square there are many restaurants and shops including a few boutiques, gift shops and even an art gallery. Many of the restaurants on the coast side have roof top or terrace areas with spectacular views, a beautiful place to enjoy a meal or even just to stop for a drink.

Situated in the town square is the post office and an ATM as well as more shops and restaurants. Turning left down the hill back towards the coast you pass a small funfair and children's playground. From here it is a short stroll down to the town beach with all its amenities.
